"Thanks for Lending a Hand"

Brother and Sister Elks,

What an amazing time of year!

Brenda joins me in the wish that you all had a Happy Thanksgiving; that you all enjoyed the blessings of good fortune, family, God and good health. Finally, we extend a hearty Thanks for Lending a Hand to those who shared the gifts bestowed on them with those less fortunate.

December is now upon us and one of our most important duties is first on the list. Sunday, December 3 marks the date of the Elks Memorial Service, a day on which we commemorate the lives of those members who have passed away in the last year. We gather with invited family members as we pay a tribute of love and affection to those brothers and sisters who have served our cause so valiantly but who no longer answer when their name is called.*Though we no more possess them, still our hearts their memories bear.* Do yourself a favor and attend this solemn and beautiful service. It will not be your last.

Our attention to Youth Activities and Community Service comes to the forefront this month:

1. For most of our Lodges, December marks the beginning of the Hoop Shoot season. Lodges will begin their local shoots during this month in preparation of sending candidates on to District Contests in January. Contact your Lodge Hoop Shoot Chair and volunteer a few hours of your time to this exciting program.
2. Local high school seniors have been submitting their applications for consideration in our Most Valuable Student Scholarship and Vocational Scholarship Programs. Judging of these applications will soon be underway. Contact your Lodge Scholarship Chair and volunteer a few hours of your time to this rewarding program.
3. Most, if not all of our Lodges, will be participating in a Children's Christmas Shopping Spree/Clothe a Child Program which will provide much-needed clothing/footwear, toys and the joy of Santa to the children of our communities, many of whom would not have a Christmas without the Elks. Contact your Lodge Social Welfare Committee Chair and volunteer a few hours of your time to light up the lives of those less-fortunate than we are.
4. Many of our Lodges will be celebrating the wonders of Christmas by hosting parties for the children and grandchildren of our members. Contact your Lodge House Committee Chair and volunteer a few hours of your time to enhance the joy of Christmas among our own family.

The list goes on and on, but what would you expect?

"Thanks for Lending a Hand"

Continued from page 1

We are in the homestretch of the Lodge year. In terms of net membership, we are about breakeven as of the Grand Lodge Membership Report of 11/13/23, as follows:

Gains	2,685
Losses	(1,118)
Delinquents	(2,328)
Awaiting Initiation	625
Net	(136)

You know the routine: a) Let's contact our delinquent members and find out why they are not paying dues or what we can do to help, if needed, and encourage them to renew, 2) Let's actively inspire our existing members to invite friends, family and acquaintances to join our great Order, 3) Let's invite our membership, by specific and detailed invitation, to attend our Memorial Service and to help with Hoop Shoot, Scholarships, Children's Shopping Spree, Visiting the Sick, Veterans Christmas Cards, etc., and 4) Initiate, Initiate, Initiate.

With a heavy heart, it is my sad duty to announce the passing of our Brother and friend, Hersh Eaton, Vice-President, North, who fought valiantly to the end. I and my Vice-Presidents Sue Krausman (South), JeRay Bellon (East) and Hank Thonnard (West) are in the process of completing our visits of all Arizona Lodges inclusive of visits to those remaining Lodges selected by Brother Hersh. We are proud to have had the opportunity of visiting with you, your Officers and members and listening to your marvelous stories of membership and service. Please remember that we are also here to lend a hand in most any facet of Lodge operation, without repercussion, if you desire. Please feel free to consult with any of us, regardless of the request.

Don't forget to supply evidence of our substantial and many accomplishments for publication to this AEA Newsletter, to the Grand Lodge Magazine and to local news.

In closing this month, in addition to participating in our charitable endeavors, please enjoy the spirit of the Christmas season with your friends and family. Brenda, I and our family wish you and yours a blessed Merry Christmas and a prosperous New Year.

May God bless our troops, our first responders, our families and all of you.

Thanks for Lending a Hand!

Fraternally,

Al Kayal, President

“Sun City Lodge #2559 Holds Benefit for Local Food Bank”

For over 15 years, the small Peoria community of Ventana Lakes has hosted an annual fundraising event for “Valley View Community Food Bank.” The westside charitable organization feeds and clothes 1,000s of our community residents in need.

When the Sun City Elks Lodge learned the event organizers Kathy Freda and Lori Norris had lost their venue for this year’s fundraiser, Lodge Veteran Services Committee reached out asking if they could lend a hand to become a part of this significant project. Charity is one of the core pillars of the Elks organization. Governing statutes not only allow community involvement, but highly encourage them.

The question was answered with a resounding “Yes”.

Months of effort for a successful community partnership between members of the Elks Lodge and the residents of Ventana Lakes began. And, successful it was!

Saturday November 18th’s fundraising event had 220 attendees for dinner, comedy entertainment, a live band, and dancing. 50/50 raffles, silent auctions, and a live auction gift card tree raised a total amount of \$17,000.00 in donations with approximately \$5000 of in-kind food and clothing.

Valley View Community Food Bank Founder and President, Jesse Ramirez was moved by the support from his community. Other special guests included Peoria Willow District Councilman and Mayor Pro Tempore, Jon Edwards with his wife Brenda. Lending their support to the effort as well, was Elks District Deputy Grand Exalted Ruler, West District, Larry Bodwell with his wife Diane.

Building community relationships creates solid collaborative foundations. The generosity of the organizers, the residents of Ventana Lakes, and the Sun City Elks working hand-in-hand, help Valley View Community Food Bank continue their purposeful work.

November 11, 2023 **All WWII Veterans are now eligible for VA health care**

WASHINGTON — Today, the Department of Veterans Affairs announced that all World War II Veterans are now eligible for no-cost VA inpatient and outpatient health care.

Under this expansion, all WWII Veterans who served between Dec. 7, 1941, and Dec. 31, 1946, are now eligible for VA health care, regardless of their length of service or financial status. These Veterans will not have to pay inpatient or outpatient copays, enrollment fees, or monthly premiums.

VA is reaching out by phone and mail to encourage WWII Veterans who are not currently enrolled in VA care to apply today. Veterans who enroll may also keep their private providers, Medicare, and most other insurance to meet their health care needs.

“These members of Greatest Generation answered the call to serve when our nation – and the world – needed them most. Now, it’s our job to serve them in every way that we can,” said **VA Under Secretary for Health, Dr. Shereef Elnahal**. “We are proud to provide world-class, low- or no-cost health care to these heroes at VA, and we encourage all of them to enroll today.”

All WWII Veterans are encouraged to enroll in VA health care – the best, most-affordable health care in America for Veterans. Veterans who are enrolled in VA health care are proven to have better health outcomes than non-enrolled Veterans, and VA hospitals have dramatically outperformed non-VA hospitals in [overall quality ratings](#) and [patient satisfaction ratings](#).

Veterans who were not approved for VA health care in the past due to income limits should apply again; income levels no longer apply due to this expansion. VA cannot automatically enroll these Veterans in health care; WWII Veterans must [apply for VA health care](#) if they are not currently enrolled.

While World War II Veterans will no longer have to pay inpatient or outpatient copays, they may still have to pay modest medication or urgent care copayments in some cases, depending on their [eligibility and service connection](#).

This expansion is made possible through the Joseph Maxwell Cleland and Robert Joseph Dole Memorial Veterans Benefits and Health Care Improvement Act of 2022 ([Cleland-Dole Act](#)), signed in December 2022.

To apply for VA health care, visit [VA's health care enrollment website](#), call 1-800-MyVA411 (800-698-2411), or [visit your nearest VA medical center or clinic](#).

Update to the release: [Nursing home care is free \(no copays\) for nearly all World War II Veterans who are eligible for nursing home services at VA, including 1\) anyone in need of such care for a service-connected disability, \(2\) anyone in need of such care who also has a service-connected disability rated at 70 percent or more.](#) However, contrary to the language of the release, not all World War II Veterans are eligible for nursing home care under this new law.

Additionally, as stated in the release, all World War II Veterans are eligible for VA health care and will not have to pay inpatient or outpatient copays. However, these Veterans may still have to pay modest copayments for medication or urgent care or long-term care in some cases, depending on their [eligibility and service connection](#).

We at VA apologize for this mistake and any confusion that it may have caused. We are continuing to reach out directly to these Veterans to inform them of the expansion of care available to them, **and we urge any WWII Veteran to enroll in VA health care today.**

Pause to pay tributes during joyous December

There are so many ways to reflect during the month of December.

As Elks, on Sunday, December 3 we pay a just tribute of affection and honor to all of the Members who no longer answer when their names are called. The Elks Memorial Service is a very solemn day when we hear the chimes of Eleven ring in honor of our deceased Members. The Members we honor on Memorial Sunday spent many hours of service to their Lodge. It is a fitting tribute to them to have their families with us at this ceremony as their names shall endure forever in our tablets of love and memory. *“An Elk is never forgotten, never forsaken.”* May all of our deceased Brothers and Sisters rest in peace.

Pearl Harbor Day is a time to remember and honor all who died in

**Message from
the Grand
Exalted Ruler
RANDY P.
SHOOK**

the horrific attack on December 7, 1941. President Franklin D. Roosevelt stated in a speech to congress that the bombing of Pearl Harbor was a date which will live in infamy. Please take the time to lower the flag to half staff on Pearl Harbor Day in honor of all who perished in this horrific attack.

We will all be very busy with family and friends, shopping, sending cards and waiting for Santa to bring those very

special gifts. The Christmas season brings out the best in Elks. Christmas baskets will be distributed by our great volunteers spreading goodwill and cheer during this season. Needy families will have presents under their trees and food on their table because of the efforts of Elks throughout the country. While we should always be aware of those in need, this is a time when we seem to have a greater sense of family and those who need our assistance. It is this time of the year Elks really show their communities *“We Are THE Elks.”*

Wanda and I wish each of you a very Merry Christmas. May the joy and happiness of the Christmas season be with you always. Have a very safe holiday season.

God bless our great Order, our troops, and the United States of America.
